Charles Jordan believes the best property advice starts with understanding the person, not the property. With more than 17 years' experience across London property, Charles has handled everything from prime apartments and family homes to new developments, country houses and highly complex transactions. That breadth of experience, combined with long-standing relationships with some of the industry's best agents, solicitors and advisers, allows him to see routes through deals that others can miss.

Known for his calm approach, straight-talking advice and relentless determination, Charles believes there is almost always a way forward when the right property and the right buyer come together. He is patient, creative and never afraid to think differently to get a transaction over the line.
