A truly exceptional One-Bedroom apartment with rare private terrace and river views.

Situated on the seventh floor of the prestigious Nine Millbank development, this is arguably the finest one-bedroom apartment available. Offering just under 900 sq ft of beautifully designed living space, it is elevated by a spectacular south-facing private terrace of almost 500 sq ft, one of the largest in the building and one of only a handful of apartments to enjoy such a feature.

With direct access from every room, the terrace is a true extension of the living space, perfect for outdoor dining, entertaining guests, or simply relaxing in the sun. From here, you can enjoy stunning views over Westminster and the River Thames. The generous size makes it ideal for hosting large gatherings in the heart of the city.

Inside, the elegant open-plan kitchen and reception area is fitted with premium Miele appliances, designed for both style and functionality. The spacious bedroom features a luxurious en-suite bathroom, while a separate powder room provides added convenience for guests.

Floor-to-ceiling windows fill the interiors with natural light and create a seamless connection between indoor and outdoor living.

Residents enjoy exclusive access to world-class facilities including a swimming pool, gym, treatment rooms, sauna, steam room, vitality pool, private cinema, and 24-hour concierge service. There is also a basement storage room which is available under a separate negotiation.

A rare opportunity to secure a truly unique home with a terrace that rivals those of far larger properties, in one of London's most sought-after developments.

Charles Jordan believes the best property advice starts with understanding the person, not the property. With more than 17 years' experience across London property, Charles has handled everything from prime apartments and family homes to new developments, country houses and highly complex transactions. That breadth of experience, combined with long-standing relationships with some of the industry's best agents, solicitors and advisers, allows him to see routes through deals that others can miss.

Known for his calm approach, straight-talking advice and relentless determination, Charles believes there is almost always a way forward when the right property and the right buyer come together. He is patient, creative and never afraid to think differently to get a transaction over the line.
